

NORTH ADELAIDE VILLAGE

Food, fashion and gifts: all the elements that make for a romantic date with your love can be found at North Adelaide Village. Step into TuYu and you'll discover a huge selection of on-trend clothes, shoes and accessories from brands like Hansel and Gretel, Significant Other, Shona Joy and Senso. Tell your man to get his shirt pressed at Prestige Dry Cleaners and, while he's there, he should probably pick you up a gorgeous bouquet of flowers from Metropolitan Fresh Fruiterers. If he's a smart one, he'll also duck into Fili Jewellery North Adelaide and surprise you with a piece of jewellery too (they specialise in designing engagement and wedding rings, hint hint). Finally, there's no better location to have your date than the Insta-worthy setting of Pippo. You can't go wrong if you order a plate of pan-fried gnocchi with slow cooked lamb shank ragout, the chicken and roast pumpkin salad with caramelised cauliflower, a side of garlic and rosemary flatbread and bottle of Signature Wines 2018 Tempinot.
